Mrs. N. C. SEARS ENTERTAINS THE SANS SOUCI CLUB

POPULAR LADIES ORGANIZATION OF PENINSULA ENJOYS FINE MEETING AT MANSION ON THE RIVER FRONT.

The Sans Souci club enjoyed an interesting and pleasing afternoon at its regular session held with Mrs. N. C. Sears at her homelike mansion on Peninsula drive and the river front, lower Daytona Beach.

During the time of the business session, half of the officers were elected for the ensuing year the changes being made as follows: Mrs. Wallace, president; Mrs. T. Chamberlin, second vice-president; Mrs. Emma Freeman, corresponding secretary.

Also during the business hour Mrs. U. S. Shelly, John S. Barbe, W. F. Beckman were present and spoke to the club regarding the purchase of a plot of ground for a public park in Daytona Beach. This plot is located on Palmetto and Harvey streets and Hollywood avenue in the Fuquay subdivision. It consists of 12 large building lots and is an ideal spot for the town croquet grounds, tennis courts and horseshoe grounds. The men made a proposition to the ladies of the club that each one pledge herself for the sum of \$50 toward the purchase of the lot which may be now obtained for \$5,000. The individual ladies of the club felt that they could not make such a promise without further consideration and accordingly took no action.

Then followed a very pleasant hour of literary and musical program with the following numbers:

Selections from "A Day in Venice" by Ethelbert Nevin—Palmetto orchestra.

"Love song" and "Good Night," and "The Hunt," duets by Misses Alice Briggs and Frances B. Sparber.

"Cathedral Chimes"—Palmetto orchestra.

"American Composers"—paper by Mrs. Alice Wasson.

Selections from the "Sunny South"—Palmetto orchestra.

At the close of the afternoon's entertainment a social hour followed during which tasteful refreshments were served after which the guests departed for their homes.

MABEL Q. STEVENS TO SPEAK AT BEACH METHODIST CHURCH

The Christian Forum of the Daytona Beach Methodist church has announced that Mabel Q. Stevens will be here for a three day's lecture course and bible conference, the first lecture to take place next Sunday morning at 9:45, on the subject "Our Heritage in the Community church."

Mrs. Stevens will also speak Sunday evening giving one of her famous lectures. Monday afternoon at 3:00 her topic will be "Fulfilled Prophecies" and in the evening will be given a Palestine Pageant. Tuesday afternoon the lecture subject is to be "The Galilean Wedding," and on Tuesday evening Mrs. Stevens will present the "Passion Play" with stereopticon slides.

The officers of the forum believe that the coming of Mrs. Stevens is the greatest attraction that the forum has offered this year. Mrs. Stevens was here three years ago and such crowds went to see her that the church building was not large enough to accommodate them all. Not long ago she spoke to audiences in Atlantic City for 25 days in succession.

Rev. R. H. Lampkin again addressed the pupils of the Seabreeze-Daytona Beach public school this morning, giving an interesting 20-minute talk on "Physical Culture."

Rubber at Once Found Favor. Rubber was introduced into the United States in 1800, which by an odd coincidence, was the year of Charles Gooden's birth. Half a century later a Boston navigator brought from Brazil a number of pairs of boots which had been coated with the unguated milk of the rubber trees. Their popularity was immediate, on account of their imperviousness to water.

Absent-Minded. Her neighbors were discussing the character of a venerable woman whom they esteemed to be wise in her generation, but a young man said it struck him that she showed great lack of wisdom in one respect. "What is that, pray?" inquired one of the group. "Why," said the young man, "she always puts on her tabs to catch soft water when it's raining hard."

DAYTONA BEACH

About 310 people attended the banquet at the Methodist church last night. An excellent program of speakers took place after the supper was finished and lasted until between 9:00 and 10:00.

Rev. R. H. Lampkins, who is conducting a series of evangelistic services at the Daytona Christian church, is visiting at the home of Mr. and Mrs. Homer E. Wakefield, Peninsula drive, Daytona Beach.

The crowd at the public park, corner of Seabreeze avenue and Live Oak street, steadily thins out as the end of the winter approaches. A goodly number of those who have enjoyed the horseshoe games during the course of the winter are still left, however.

Mrs. Josephine Gage, who has been as usual spending the winter here, left recently on her return to her northern home in Sandwich, Ill., after a pleasant winter here. During the season Mrs. Gage went on a trip of several weeks to the west coast of the state, visiting the Gasparilla carnival. She hopes to return again next fall, to spend another winter at her Grandview avenue home.

E. L. Stewart, who has been spending the past week or ten days here at the home of Mrs. H. F. Stewart, on Seabreeze avenue and the river front, plans to leave for the north Monday.

OPEN AIR DANCING FOR NEXT THURSDAY NIGHT ON BEACH ST.

Spring carnival night, featuring an open air masquerade dance on Beach street, will be the magnet to draw thousands of persons to the business center of Daytona next Thursday night, March 29. Everybody is invited and are as welcome as the flowers in May. As it will be an open air affair the sky will be the limit. Arrangements have been perfected for the roping off of Beach street between Orange and Magnolia avenues and closing it to vehicle traffic. It will be an eventful night in Daytona. There will be an abundance of music with all of the local orchestras augmented by bands from Deland, St. Augustine and other neighboring points. If possible the Second Regiment band from Palatka, which has just returned from the border, will be brought to Daytona for the occasion. Suitable committees will be appointed immediately and every detail worked out so as to extract pleasures during every minute of the time Thursday night.

Pigs Are Dainty Eaters. Pigs, instead of being ready to eat anything, are among the most fastidious animals. Out of 575 plants, the goat eats 449 and refuses 126; sheep, out of 928 plants eat 487 and refuse 141; cows, out of 494 plants, eat 275 and refuse 218; horses, out of 474 plants eat 292 and refuse 212; while pigs, out of 243 plants, eat only 72 and refuse 171.

ROBIN HOOD AT MATINEE MUSICALE

Robin Hood was vividly analyzed Friday morning when Mrs. William Redwood Wharton led the forthrightly morning musicale at the Palmetto clubhouse under the direction of the club's department. The theme of this musical light opera, so thoroughly loved by all Americans and Europeans, was illustrated by both vocal instrumental and violin sections.

Mrs. Wharton interestingly told the story of the opera and interpreted her subject by vocal color. Creditably assisting her were Mrs. S. H. Pierson, Mrs. F. H. Houghton and Mrs. A. H. Houghton.

Mrs. Wharton's song, "The Love Song," was full of music, his splendid melodic voice filling forth the thrill of the song. Mrs. S. H. Pierson, whose soprano voice is very rounded and clear, sang "When a Shadow Woke," which was well received.

From Mrs. Pierson's song by Mrs. Wilson Ramsey in her rich contralto voice was very beautiful. Edward S. Scates, in a tenor voice with much expression sang "A Troubadour Song to His Love," receiving merited applause. The solo with quartette by Miss Alice Briggs and quartette consisting of Mrs. Pierson, Miss Sparber, Mr. Manchester and Mr. Scates was beautifully rendered, which was followed by several Victrola selections ended the morning's event.
